

GST Holdings Limited Announces Entering the tertiary institutions market in the PRC

(Hong Kong, 22 July 2005) — **GST Holdings Limited** (“GST Holdings” or the “Group”), China’s leading fire alarm systems products and services provider, today announced that the Group starts promoting its products and services in the tertiary education market via the direct dialogue with tertiary institutions. The conference and meeting of Beijing Tertiary Institution Security Research Committee (“BTISRC”)[北京高教保衛學研究會] were held in GST Holdings’ Qinhuangdao production base from 8 July 2005 to 10 July 2005 and participants include about 80 head of the security department of 67 Beijing tertiary institutions including the Peking University, Tsinghua University and the Renmin University of China, related leaders of the Beijing Municipal Commission of Education、Beijing Municipal Public Security Bureau and Security Bureau[安全局].

GST Holdings’s Chairman and Chief Executive Officer, **Mr. Song Jiacheng** said, “This conference has successfully strengthen the communication and trust between GST Holdings and BTISRC which opens up the gateway for us to provide fire alarm systems products and services, as well as the fire alarm network systems to tertiary institutions in Beijing.”

During the conference, BTISRC and the Group had an extensive and in-depth discussion on the development trend of the fire alarm systems industry, latest techniques on fire safety, present situation of fire alarm products, as well as maintenance and operation of fire control facilities on campus, and the management of fire alarm network systems.

BTISRC has developed better overall understanding on GST Holdings’ status and strengths, and they will value GST Holdings as their strongest partner among tertiary institutions in Beijing. After the conference, the committee highly appreciated the assistance and support given by GST Holdings. Gulf Security Technology Company Limited becomes the standing committee member in the general meeting.
