

## **GST Holdings Limited Investor Tour in Beijing and Qinhuangdao**

(Hong Kong, 25 October 2005) ---- **GST Holdings Limited** ("GST Holdings" or the "Group") (Stock Code: 0416), China's leading fire alarm system products and services provider, organized an Investor Tour during 20-21 October, 2005. During the tour, the analysts visited GST Holdings' headquarter in Beijing and the production site at Qinhuangdao, and discussed the most recent development of the Group with the 11 senior management members including the Chairman and Chief Executive Officer **Mr. Song Jiacheng**, the President **Mr. Cao Yu**, and the Chief Financial Officer **Mr. Ho Yui Pok, Terry**.

The analysts participating in the tour came from well-known investment banks and securities companies in Hong Kong including Morgan Stanley, Daiwa Securities SMBC, CIMB, CITIC Capital, Shenyin Wanguo Asset Management (Asia) Ltd., SBI E-2 Capital Securities Ltd., and First Shanghai Group. **Mr. Song Jiacheng** and **Mr. Cao Yu** presented GST Holdings' recent development, team management and future growth strategies.

The Chairman and Chief Executive Officer of the Group, **Mr. Song Jiacheng**, said, "The Group's outstanding team management, promising investment prospects and strong R&D impressed the analysts very much. After the two-day tour, participants appreciated GST Holdings' excellent products and one-stop complementary services and were positive about the Group's investment prospects. All in all, the tour enhanced GST Holdings' image in the capital market."

### **About GST Holdings Limited (Stock Code: 0416)**

**GST Holdings Limited** is China's leading fire alarm system products and services provider. At present, its products and services expand to include fire alarm systems, fire alarm network systems, building automation systems, video entry systems, electronic power meters, installation services and maintenance services. The Group's major clients are professional equipment installers, system integrators, real estate developers, property owners and professional equipment distributors. Internationally, it has been successful since 2001 in selling fire alarm systems to countries in the Middle East, Europe and Southeast Asia. In November 2004, the Group's brand was certified as the only "well-known trademark" in the fire alarm system industry by the State Administration for Industry and Commerce in China.
